Solo travel in the Mara works best on group joining departures, where a single seat in a shared vehicle keeps costs sane. Private safaris carry single supplements that can double the nightly rate.

Camping and budget lodges are the most social option, and shared game drives put you with other travellers ***Kenyan coast to Masai Mara safari*** for meals and drives.

Safety is straightforward: use reputable operators, keep valuables in camp, and follow guide instructions on walks and at night. The upside of solo travel is flexibility on dates and the ability to join fixed departures at short notice. Solo mombasa to masai mara fly in safari friendly departures are listed at %LINK%.
