Reading on a small display. Rotate or enlarge the display until both the letters and their marks are easy to distinguish. Check whether the end of the line remains visible. Ask the learner to move to the following line without help. Adjust the zoom again if scrolling breaks their place.

Reading a fresh example. Reserve one teacher-selected example until the end of the exercise. This gives the learner a chance to apply a pattern beyond the item practised together. Note whether the learner began unaided, online quran classes asked a online Quran tuition UK specific question or needed the teacher to model the whole example.

Ask the learner which of the two activities felt easier and why. Refer to the example they actually tried when agreeing on a home-practice task.
