FAQ About Dumpster Rental

What is the average cost of dumpster rental in Salt Lake City?

The average cost of dumpster rental in Salt Lake City typically ranges from \$300 to \$600, depending on the size of the dumpster and the rental duration. Additional fees may apply for weight overages or extended rental periods.

What sizes of dumpsters are available for rent in Salt Lake City?

In Salt Lake City, dumpster rentals usually come in various sizes, including 10, 20, 30, and 40 cubic yards. The choice of size depends on the project type and volume of waste to be disposed of.

How long can you keep a rented dumpster in Salt Lake City?

Most dumpster rental companies in Salt Lake City offer rental periods ranging from 3 to 14 days. However, additional days can typically be added for an extra fee, depending on the rental agreement.

What can you put in a dumpster rental?

You can generally place construction debris, household junk, and yard waste in a dumpster rental in Salt Lake City. However, hazardous materials like chemicals, batteries, and tires are prohibited.

Do you need a permit for a dumpster rental in Salt Lake City?

Yes, if the dumpster will be placed on public property or the street in Salt Lake City, a permit is often required. It's advisable to check with local authorities to understand the specific regulations.
