Understanding the Betting Layout

Before the wheel is spun, gamers have a restricted time to place their chips on several of the 8 offered betting choices. These choices represent the sections found on the 54-segment wheel.

The Number Bets

- **1:** Appears 21 times on the wheel. Pays 1:1.
- **2:** Appears 13 times on the wheel. Pays 2:1.
- **5:** Appears 7 times on the wheel. Pays 5:1.
- **10:** Appears 4 times on the wheel. Pays 10:1.

The Bonus Games

- **Money Hunt:** Appears 2 times on the wheel.
- **Pachinko:** Appears 2 times on the wheel.
- **Coin Flip:** Appears 4 times on the wheel.

- **Crazy Time:** Appears 1 time on the wheel.

The Magic of the Top Slot

Above the main money wheel sits the **Top Slot**, a tiny two-reel slots that spins at the same time with the wheel.

1. **Reel 1** displays among the wagering choices (a number or a reward game).
2. **Reel 2** display screens a random multiplier (varying from 2x approximately 50x).

If the horizontal line in the Top Slot aligns a bet with a multiplier, that multiplier uses to that specific result for the upcoming spin. If the main wheel arrive on that result, any wins for that round are improved by the multiplier. If a perk round is activated with a Top Slot multiplier connected, the starting multipliers inside the reward game are quickly increased by that figure.

Diving Into the Four Bonus Rounds

The real heart of Crazy Time lies in its four reward games. Setting off among these rounds carries players from the primary studio into an unique enhanced reality mini-game.

1. Coin Flip

The simplest of the bonus rounds. A coin with a red side and a blue side is turned by a mechanical arm.

- Before the flip, random multipliers are assigned to both the red and blue sides.
- Whichever side lands deal with up wins the multiplier for the taking part players.
- If the multipliers are low, a "Rescue Flip" can sometimes be triggered, providing players another possibility at greater benefits.

2. Money Hunt

This perk video game includes a massive screen showing 108 random multipliers concealed behind shooting gallery symbols (like a cactus, a target, or a duck).

- Players utilize an on-screen crosshair to intend and shoot at one sign before the timer runs out.
- Once time ends, all signs expose their surprise multipliers, and the gamer gets the multiplier behind their selected target. Every player gets to pick their own area, implying various players can win various quantities.

3. Pachinko

Motivated by the standard Japanese arcade video game, Pachinko includes a glowing, vertical board filled with physical pegs.

- The host drops a puck from the top of the board.
- The puck bounces arbitrarily down through the pegs till it lands in one of the multiplier zones at the bottom.
- If the puck arrive on a "**Double**" worth, all multipliers at the bottom of the board double, and the puck is dropped again, resulting in potentially huge payouts.

4. Crazy Time

The ultimate bonus offer round takes players behind a red door into a surreal, whimsical virtual world featuring an enormous, 64-segment wheel.

- Players should pick among three flappers: **Green, Blue, or Yellow**.
- The host spins the giant wheel.
- Whichever sector the picked flapper points to when the wheel stops is the prize awarded.
- The wheel includes **"Double"** and **"Triple"** sectors. If a flapper lands on among these, all multipliers on the wheel double or triple, and the wheel is spun again. This is where the game's legendary 20,000 x max multiplier can be attained.

Techniques and Tips for Playing Crazy Time

While Crazy Time is fundamentally a game of possibility figured out by a random number generator (RNG) and physical physics, players often utilize particular techniques to handle their bankroll and customize their experience.

Popular Playing Approaches

- **The Low-Risk Strategy (Grinding Numbers):**
 - Focus heavily on wagering on **1** and **2**.
 - These numbers occupy the majority of the wheel, indicating they struck often.
 - This technique won't yield overnight fortunes, but it extends playtime and keeps the bankroll reasonably stable.
- **The Bonus Hunter Strategy:**
 - Place little bets exclusively on the 4 benefit rounds (**Cash Hunt, Pachinko, Coin Flip, Crazy Time**).
 - Due to the fact that reward rounds appear on just 9 out of the 54 sectors, this approach requires patience and a resilient bankroll, as droughts can happen. Nevertheless, it positions the gamer to catch the biggest payments when the bonuses hit.
- **The Balanced Approach:**
 - Cover a mix of numbers and bonus rounds. For instance, placing small bets on numbers to preserve your balance while betting on specific perk video games to keep the excitement alive.

Finest Practices for Bankroll Management

- **Set a Budget:** Decide just how much you want to invest before you begin playing, and never ever chase losses.
- **Understand the RTP:** Keep in mind that number bets normally provide a greater RTP than bonus offer bets, however bonus offer bets provide considerably greater volatility and optimum win capacity.
- **Take pleasure in the Entertainment:** Crazy Time is a live entertainment show most importantly. Treat any wagers as the cost of admission for an interactive show.
