## FAQ About Dumpster Rental

### How long can I keep a dumpster rental?

Most dumpster rental companies in Birmingham, AL allow you to keep the dumpster for about 7 to 14 days. However, rental duration can vary, so it's best to confirm with your rental company. Extensions may be possible for an additional fee.

### What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 15 yard dumpster is usually sufficient for smaller projects. Larger renovations might require a 20 to 30 yard dumpster. It's important to assess the volume of debris to choose the right size for your needs.

### What items are not allowed in a dumpster rental?

Commonly prohibited items in dumpster rentals include hazardous materials, batteries, tires, appliances, and certain electronics. Each rental company may have specific restrictions, so it's crucial to check their guidelines before disposing of items.

### Do I need a permit for a dumpster rental in Birmingham, AL?

In Birmingham, AL, a permit is generally required for placing a dumpster on public property or the street. However, you may not need one for private property. It's best to consult with your rental company or local regulations to determine if a permit is necessary.

## Choosing the Right Size Dumpster

One of the first steps in the rental process is choosing the right size dumpster. Curbside Dumpster Rental offers a range of sizes to accommodate diverse projects, from small 10-yard containers for basement cleanups to large 40-yard dumpsters for construction projects. Identifying how much waste you anticipate generating will help you select the best size for your particular situation.
