What is a CS: GO Case Battle?

A case battle is a multiplayer game mode hosted on third-party CS2 skin <https://cs2skin.com/case-battle> gaming and trading sites. Unlike opening cases alone in the video game customer, a case battle enables numerous players (generally between two and four) to open the exact very same set of cases at the same time.

The rules are basic:

1. **Buy-in:** All individuals contribute a set quantity of cases, funded by their website balance.
2. **The Drop:** The system opens the cases for all players round by round. Every item dropped is provided a real-world monetary value based upon Steam Market or third-party rates.
3. **The Winner:** At the end of the battle, the overall worth of all skin drops for each player is calculated. The player with the highest overall worth wins **all** the products dropped in the match, consisting of those of their challengers.

If you are lucky, you can win double, triple, or perhaps 10 times your initial buy-in. If you lose, you lose the cost of the cases.
