For those curious about why this virtual aircraft has actually caught the hearts of Kenyan punters, this extensive guide checks out how the game works, strategies players utilize, and how to enjoy it properly.

What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game belonging to the "crash game" category. Unlike traditional fruit machine with spinning reels or table video games with intricate guidelines, Aviator is built around a rising curve that can crash at any time.

The premise is uncomplicated:

1. **A plane removes**, and with it, a multiplier coefficient begins to increase.
2. **Players put one or 2 bets** before the round starts.
3. **The goal is to squander** before the fortunate airplane flies away (crashes).
4. If a player cashes out in time, they win their stake multiplied by the present coefficient. If the plane flies away before they cash out, the bet is lost.

This blend of timing, psychology, and risk management has actually made it a staple across nearly every major wagering website in Kenya.
