The Classic College Town is a lively place to live, and between classes, work, and weekend plans, a spotless home can feel out of reach. Casa Neat Cleaners brings dependable house cleaning to Athens, GA and the surrounding areas so you can get your weekends back. Every team member is insured and background-checked, so you can relax while the work gets done.

Many busy households underestimate how much time a thorough clean really takes. That is why we offer no-cost flat-rate quotes delivered within 24 hours, so you know exactly what you will pay before anything is scheduled. We also stand behind every visit with a 24-hour satisfaction guarantee, because your space deserves more than a quick pass with a mop and a bucket.

Deep Cleaning for Homes That Need a Full Reset

A deep clean is a meticulous, top-to-bottom service that reaches every corner of your home. Our crew works through baseboards, light fixtures, cabinet fronts, grout lines, and the areas that routine cleaning often misses. This service is perfect after a renovation, a long stretch without service, or before hosting a big event. The result is a home that feels fresh from the entryway to the back bedroom.

Recurring House Cleaning Built Around Your Schedule

Standard cleaning keeps everyday living under control, covering kitchens, bathrooms, dusting, floors, and general tidying. For households who want the benefit without thinking about it, our recurring plans run weekly, biweekly, or monthly on a schedule that fits your life. Consistency is what keeps a home looking its best, and recurring service means you never have to start from scratch.

Many Athens clients choose a recurring plan because it simplifies life and keeps their home consistently clean. You can adjust the schedule as your needs change, and your same trusted team learns your preferences over time. That familiarity means fewer reminders and a cleaner home with less effort on your part.

Move-In / Move-Out Cleaning for Athens Renters and Buyers

Moving is stressful enough without adding a scrub-down to your checklist. Our move-in and move-out cleaning prepares a home for new residents or helps you recover your security deposit by leaving the space spotless. We cover inside appliances, cabinets, bathrooms, and floors so the property is ready for inspection or unpacking.
