

Reviews of Gemstar Detailing's ceramic coating work reflect the same quality and professionalism customers describe across the company's broader detailing services throughout Boise and the Treasure Valley. One reviewer specifically described Kevin and his team spending a whole day working on a full interior detail, exterior detail, and paint polish and ceramic coat on their Toyota Tundra. With more than 245 five star reviews across the wider Treasure Valley, Gemstar has built a strong reputation for thorough, professional ceramic coating application.
