What is the Aviator Game?

Developed by Spribe, Aviator is a social multiplayer game that falls under the "crash game" category. Unlike standard fruit machine or table games like roulette and blackjack, Aviator does not feature reels, paylines, or basic card decks.

Rather, the core mechanic is refreshingly basic:

1. **The Takeoff:** A small aircraft takes off, and as it climbs greater, a multiplier coefficient increases rapidly (beginning at 1.00 x).
2. **The Flight:** The airplane can fly away at any unforeseeable second.
3. **The Cash Out:** Players should position a bet and struck the "Cash Out" button *before* the aircraft flies away. If they cash out effectively, their stake is multiplied by the current coefficient. If the airplane flies away before they cash out, the bet is lost.

This blend of quick gameplay, thriller, and gamer agency has made Aviator a staple of the Kenyan online gaming scene.
