FAQ About Dumpster Rental

What is the average cost of dumpster rental in Boston?

The average cost of dumpster rental in Boston typically ranges from $300 to $600 for a week, depending on the size of the dumpster and the type of waste being disposed of. Additional fees may apply for exceeding weight limits or extended rental periods.

How long can I keep a dumpster rental?

Generally, dumpster rentals in Boston can be kept for 7 to 14 days. However, specific rental terms may vary by company, and it's advisable to check the rental agreement for details on extensions or extra charges for longer use.

What size dumpster do I need for a home renovation?

For a home renovation in Boston, a 10 to 20 yard dumpster is commonly recommended. A 10 yard is ideal for small projects, while a 20 yard is better for larger renovations or multiple rooms, as it accommodates more debris.

What items are prohibited in dumpster rentals?

In Boston, prohibited items in dumpster rentals often include hazardous materials like paint, chemicals, batteries, and tires. Additionally, appliances containing refrigerants and electronics are usually not permitted, so it's best to check with your rental company.

How do I choose a dumpster rental company in Boston?

To choose a dumpster rental company in Boston, consider factors like pricing, customer reviews, size and availability of dumpsters, and their recycling practices. Getting quotes from multiple providers can also help ensure

you get the best deal.

Environmental Responsibility with Boston Dumpster Rental

At Home Plate Dumpster Rental, we understand that eco-friendly waste disposal is crucial for our future.
