The Rice free rice purity test Purity Test has exactly 100 statements, each one an unspoken "Have you ever...". They follow a rough order.

- **Dating:** holding hands, dates and first kisses.
- **Small rebellions:** missing curfew or sneaking out.
- **Substances:** alcohol, cigarettes and other substances.
- **Physical relationships:** the longest and most private block.
- **Authority:** suspensions, police and arrests.

Given the adult topics, the standard version is not meant for children. You are free to read the list before you decide to start, and you can stop at any time.
